Post Office. Aguadilla, which was founded in 1775, has its Post Office on the first floor of a two-story frame building. On the beach, near the city, is the historic spot where Columbus first landed, Nov. 19, 1493 (on his second voyage), at which time he gave it the name "Puerto Rico" or rich port. Aguadilla has a magnificent bay, an old fort, and an antique church.
